Hi Mike,

Here's what I sent to DC on Tuesday morning of last week. Unfortunately, I forgot to copy you when I sent the revisions to Carissa and Lori.

It looks like the file sent to Mike is the original version. Here's what I sent to Carissa on Tuesday, Aug. 30. Since it's difficult to track changes, I highlighted any cell that was edited/added/moved. I also included responses in red in the comment bubbles.

Sorry - there was so much back and forth that I forgot to cc you and Mike when I sent the edits.

Good morning,

I received a few comments from Janet and Lori. Can you please review and edit as necessary to the 3 tabs? We need to send this forward by COB today so please send your revisions to be as soon as possible. Let me know if you have any questions.

Thank you in advance for your help!
